Handwriting Sample Instructions

IMPORTANT: Read all instructions before you begin.

1. Seat yourself comfortably.
2. Use only a ball-point pen.
3. Use your natural handwriting. Neatness is not necessarily a positive or negative sign. If you normally print, also include a minimum of one paragraph of cursive writing.
4. Write a minimum of one page, answering the following questions. Feel free to continue writing on the reverse side of this sheet.
 - A) **What are your most important goals for the next six months?**
 - B) **What special qualities do you have that will help you achieve these goals?**
 - C) **What is your ideal work environment?**
5. If there is a physical limitation that affects your handwriting, please explain above.

Consent and Release Form

As part of our employment selection process, your handwriting may be analyzed by HuVista International, Inc. Studies have determined that an analysis of handwriting is a viable, nondiscriminatory procedure in understanding an individual's personality. The results can be an invaluable tool in identifying potential talents, interests and motivations. Decisions will not be based solely on the handwriting analysis, but in conjunction with other data, observations and the interview process. By signing above, I hereby release this company, HuVista International, Inc., and its associates of any liability based upon their findings or recommendations.
